

Smash Mouth - All Star

Standard (EADGBE)

G **D** **Am** **C**
Somebody once told me the world is gonna roll me

G **D** **Am** **C**
I ain't the sharpest tool in the shed

G **D** **Am**
She was looking kinda dumb with her finger and her

C **G** **D** **Am** **C**
Thumb in the shape of an "L" on her forehead

G **D**
Well the years start coming and they don't stop coming

Am **C**
Back to the rules and I hit the ground running

G **D**
Di dn't make sense not to live for fun

Am **C**
Your brain gets smart but your head gets dumb

G **D**
So much to do so much to see

Am **C**
So what's wrong with taking the back streets

G **D**
You'll never know if you don't go

Am **C**
You'll never shine if you don't glow

Chorus

G **D** **Am** **C**
Hey now you're an All Star get your game on, go play

G **D** **Am** **C**
Hey now you're a Rock Star get the show on get paid

G **D** **Am**
And all that glitters is gold

C **G** **F** **C**
Only shooting stars break the mold

G **D**
It' s a cool place and they say it gets colder

Am **C**
You're bundled up now but wait 'til you get older

G **D**
But the media men beg to differ

Am **C**
Judging by the hole in the satellite picture

G **D**
The ice we skate is getting pretty thin

Am **C**
The waters getting warm so you might as well swim

G **D**
My world's on fire how about yours

Am **C**
That's the way I like it and I never get bored

Chorus

G **D** **Am** **C**
Hey now you're an All Star get your game on, go play

G **D** **Am** **C**
Somebody once asked, could you spare some change for gas

G **D** **Am** **C**
I need to get myself away from this place

G **D** **Am** **C**
I said yep what a concept I could use a little fuel myself

G **D** **Am** **C**
And we could all use a little change

G **D**
Well the years start coming and they don't stop coming

Am **C**
Back to the rules and I hit the ground running
